

# Massabesic Audubon Center and Wildlife Sanctuary

## Massabesic Wildlife Sanctuary Use Policy:

- Stay on trails.
- No motorized vehicles.
- Dogs on wooded trails only. Must be leashed at all times.
- Take nothing, leave nothing.
- Please do not go in the water. It is Manchester's drinking supply.
- All donations support the grounds, programs and activities at the MAC.

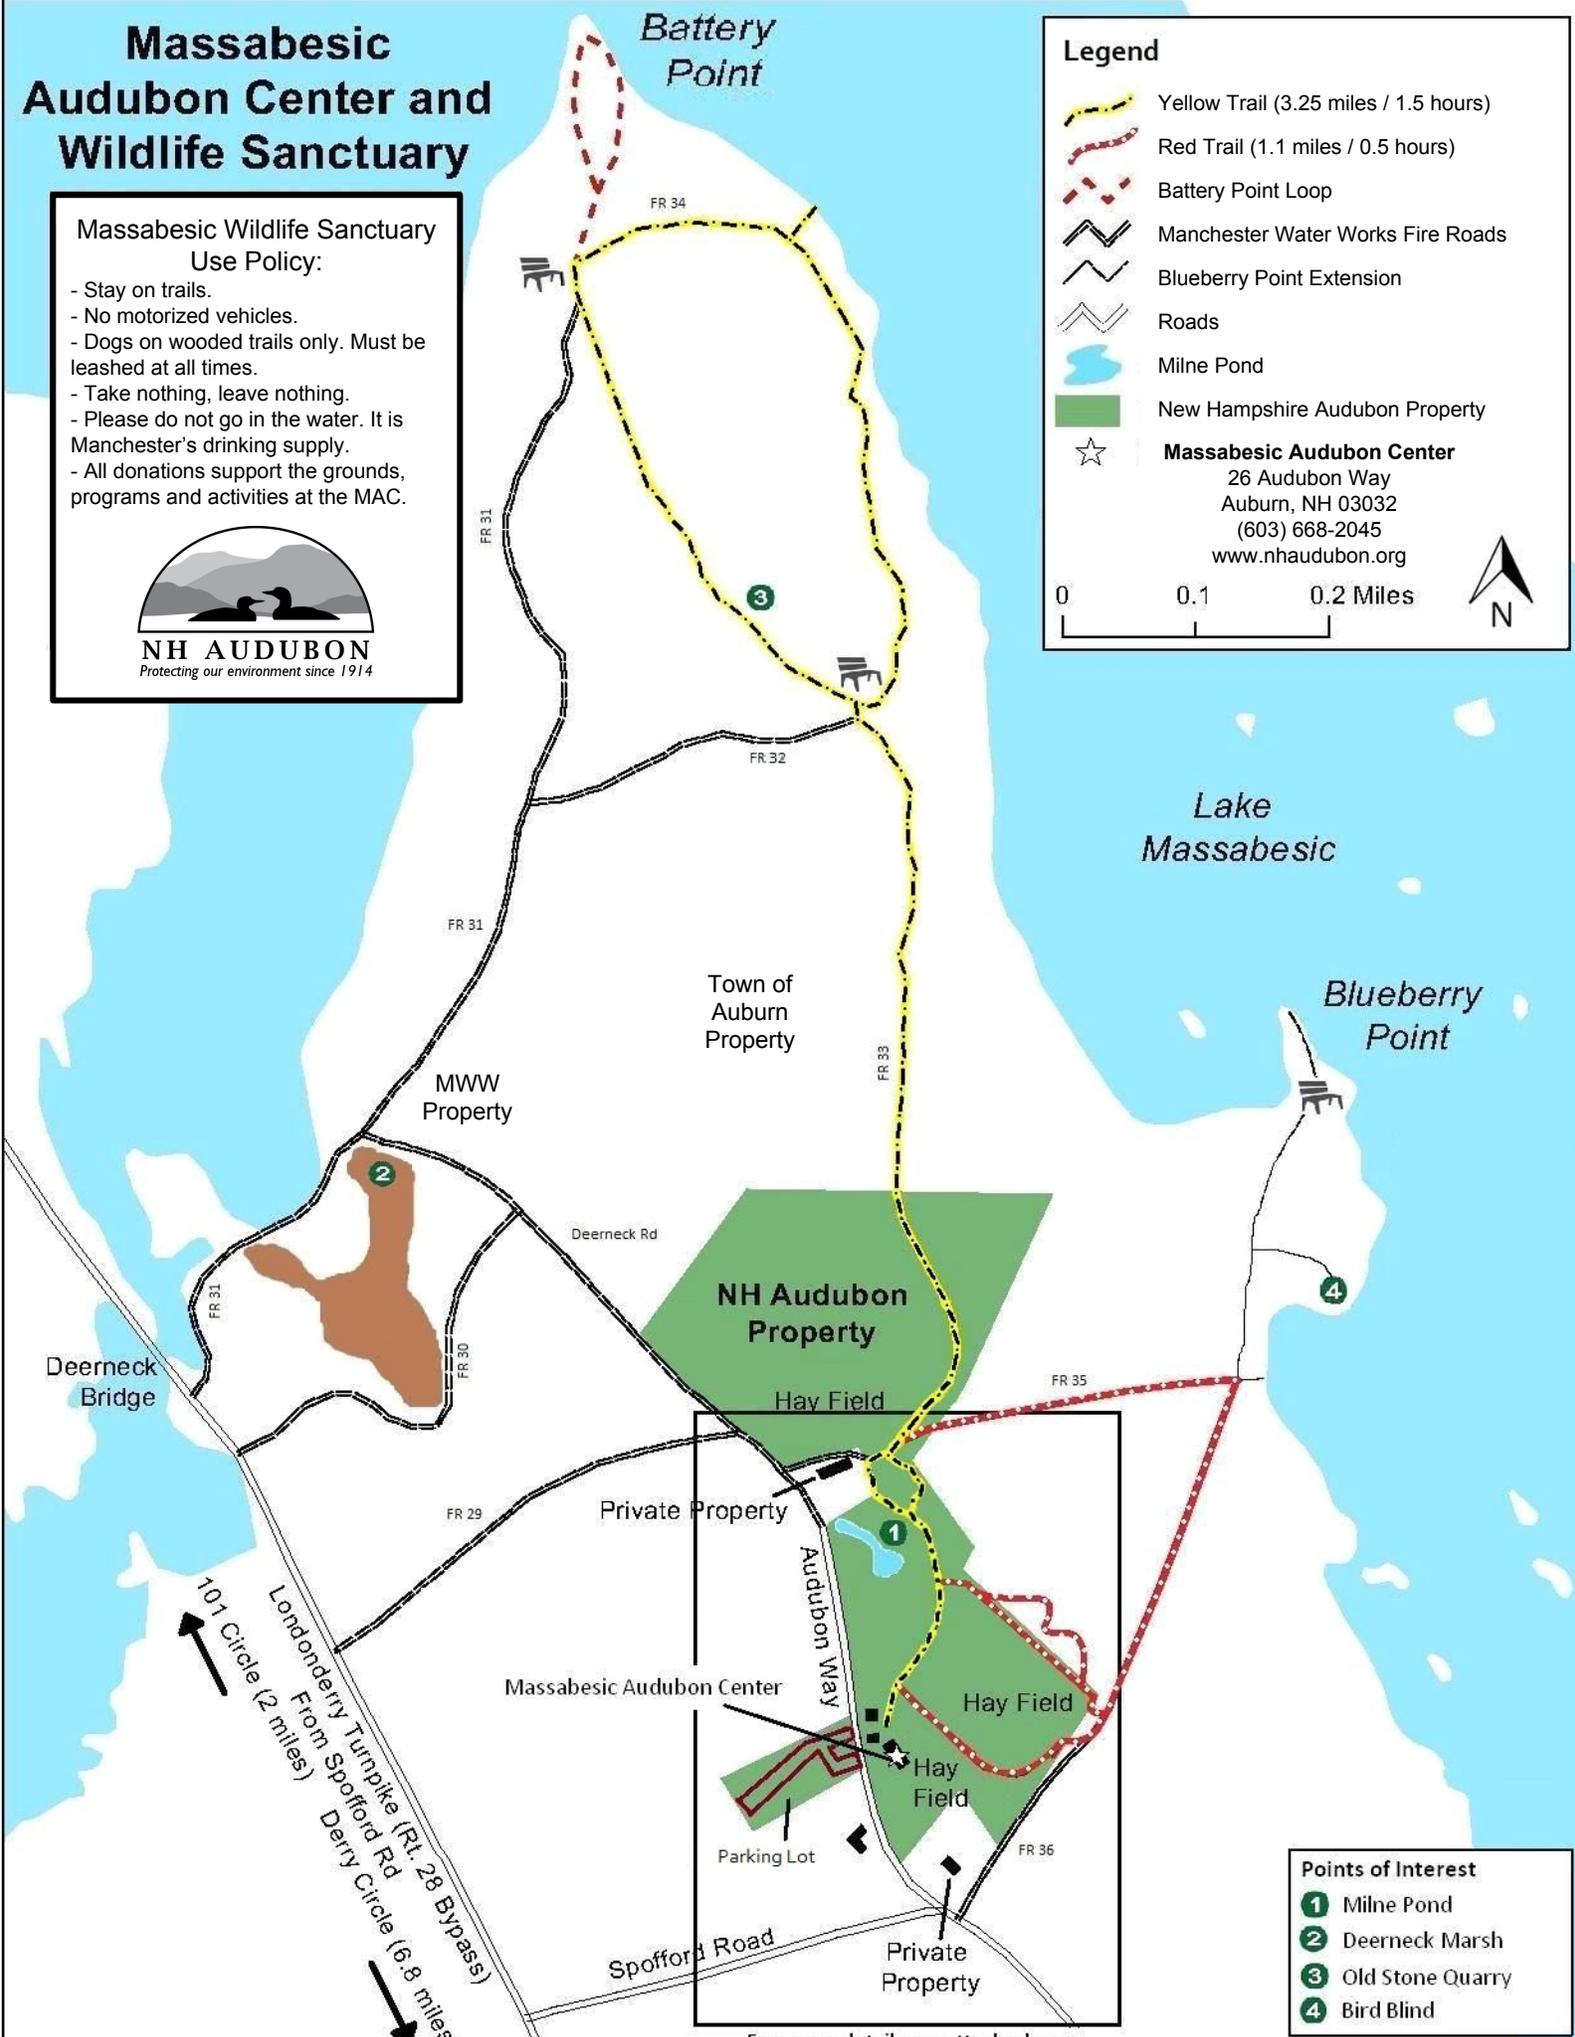

**NH AUDUBON**  
Protecting our environment since 1914

**Trail Information**

- Yellow Trail and Battery Point Loop
  - Approximately 3.75 miles to Battery Point and back.
  - Clearly Marked with yellow paint and occasional signs.
  - Occasional benches for rest.
  - Battery Point Loop, marked with red tags, offers great views of Massabesic Lake.
  
- Red Trail and Blueberry Point Extension
  - Red Trail alone is a 1 mile loop.
  - Clearly marked with red tags.
  - Traverse both field and forest.
  - Check out the old Osprey Viewing Blind on your way to Blueberry Point!

\*Please note that the field paths may change with each season's mowing.

Like our trails? All donations are appreciated to support the grounds, programs and activities at the MAC.
