Choose Your Party Theme

**Hoot of a Party**
Celebrate your party with an owl! Learn about the adaptations that make them unique nighttime predators. Practice your owl calls and make your own owl puppet to take home. Older groups have the option of dissecting owl pellets instead of the craft.

**Hooray for Raptors**
Share the experience of getting up close and personal with a live raptor with your friends and family. Learn about basic raptor natural history and how the birds of NH Audubon are cared for.

**Wonderful World of Reptiles**
All of our reptile friends are invited to the party! Come get up close and hands on with our snakes and turtles. Party goers will love watching the turtles eat and handling a live snake. Finish off with a reptile craft.

**New Hampshire Wildlife**
This party is for the wildlife lover. Explore the web of life and discover the interconnectedness of NH’s wildlife. Multiple live animals and mounts are used during the naturalist program to entertain participants while teaching them the important roles each play in our ecosystem.

**Turtle Mania**
Meet NHA’s turtles! Come learn what they share in common and what makes them unique. Party goers have the opportunity to touch the turtles and watch them eat! See the inside of a turtle’s shell and make your own turtle craft.

**Snakes Alive!**
Ever wanted to touch a snake? This party is for the snake lover in your family. Learn about the important role snakes play in the NH ecosystem and meet the snakes that call NHA home. Make a slithery craft to take home.

**Custom Party Themes ($20 Extra)**
Don’t see a theme that’s right for you? Work with our Education Department to customize a nature-based theme that suits your needs. Examples include outdoor habitat explorations and winter animal tracking.

*NH Audubon birthday parties are designed to entertain and teach. Our hope is that party-goers have fun and leave with a new appreciation for our natural world and how they can help.*

Party Information

Parties can be tailored to fit the needs of an audience of any age, but are primarily geared towards 4-12 year-olds.

Parties start promptly at the beginning of the hour with the naturalist. Children will work on the theme-based craft while invitees arrive, then transition to the live animal program. The second hour of the party is for the cake, gifts, children finishing the craft on their own or with parents, and cleaning up.

You provide food, drinks, and any desired decorations and party favors. A kitchen with a refrigerator and freezer is available for your use. The center will be open 30 minutes prior to the party for set-up unless other arrangements are made. Clean-up needs to occur by the end of the last hour of the party.

Party Package for 12 Children:
