

KESTREL American IPA was awarded a Gold Medal at the North American Brewers Association International Competition this past weekend! The competition saw more than 2,000 beers judged and the American IPA category was the largest of the 90 categories judged. North Shore Ale Company is very proud of this accomplishment. An amazing beer! *(A portion of the proceeds of sales will be donated to NH Audubon in support of bird protection.)*

The New Hampshire stores that have taken deliveries of Kestrel IPA:
